[13:53] <bentboxer> what is that a camero?

[13:53] <bentboxer> 500 bits per second thats some smooth graphics

[13:53] <katexo234> we need an HD Reboot of the game Called Wet

[13:54] <mrjekyll16> It doesn't matter what the eye can see. 60 fps is smoother then 30

[13:54] <djrno1> @scoopula take a shot everytime phil drives in a car. if you want to die that is

[13:54] <masternutella> What does AI rubberband mean? Like when your ahead of a car and he somehow catches up?

[13:54] <bethemadeagle> kate wasnt that in HD on ps3

[13:54] <thuswindburn1993> @DarksydePhil go to the dealership and sell this camaro and get the Honda NSX instead. It's a much better racing car. The camaro is better for drag races or police missions

[17:12] <blue\_blur64> Oh nice, I finally hit 50k rings in Sonic Forces. Only halfway there to getting that plat trophy xD  
[17:13] <thatanonybear> blue TearGlove

[17:15] <blue\_blur64> It's not that bad. It's 1000 rings every 2 minutes, so about 100 minutes to get reach 100k

[17:15] <thatanonybear> i'd remember those 100 minutes on my deathbed

[17:17] <blue\_blur64> I still have to reach max honors with the rabbit, which will result in my getting all wispons and collectibles. But I'm getting those along with the rings so it's all fine
